

# THE STEP AHEAD MODEL

*From call center to LARC*

**ASAF STAFF & VOLUNTEERS** tell community members about LARC and ASAF.

Patient calls **615-671-STEP** to connect to call center for appointment.

ASAF provides a **FREE TRANSPORTATION** to & from the clinic to any patient who wants one.

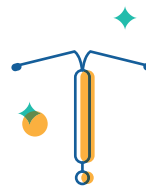

ASAF pays for basic health screenings **including:** well-woman exam, STI test, pregnancy test, & Pap test if needed.

**HEALTH CARE PROVIDER** discusses patient history & works with the woman to find best method of LARC for her.

**CLINIC BILLS** ASAF for all medical services provided.

**Our women receive the most effective reversible birth control, absolutely FREE.**

Generous private donors and foundations provide **FINANCIAL SUPPORT.**

Each woman has the tools to effectively **PLAN HER LIFE, FUTURE, & BABIES**, leading to a higher educational & career attainment and healthier, happier families.
