Child's Story.™

Dear Friends and Supporters,

As we close the chapter on CASA Nashville's 40th anniversary celebration, I am filled with gratitude for the incredible journey we've shared. This year has showcased the unwavering dedication of our community, united by a common goal: advocating for the best interests of children in our juvenile court system. Your support has been the foundation of our success, allowing us to make an impact on the lives of countless young people over the past four decades. With your help, CASA Has grown from serving 15 youth in 1984 to over 300 youth today.

Our 40th anniversary was a time to reflect on our history and renew our commitment to our mission. We celebrated throughout the year, with the highlight being our annual Red Shoe Party at the Bell Tower, where we raised a record-breaking \$220,000 – the most a single event has ever brought in for our organization. This achievement was made possible by the partnership and support of our board members, volunteers, and community – your presence and contributions mean the world to us.

This fall, we will conclude our anniversary celebrations with the Love & Legacy luncheon on September 27th at Hillwood Country Club. We invite you to join us in celebrating this milestone, taking place the same week as CASA's actual 40th incorporation date. We are thrilled to share this celebration with community leaders, mission partners, and the organizations that have supported and sustained CASA Nashville over the past forty years.

As with all nonprofits, our budget has been impacted with the reduction in federal funding, despite the number of children in foster care continuing to rise. Despite these challenges, CASA has managed to maintain the number of children we serve. This is a true testament to the dedication of individual donors like you, who believe, as we do, that every child deserves a safe, permanent home and the opportunity to thrive. This past fiscal year, over 320 children and youth received advocacy from over 150 Volunteer Advocates. It is only through the continued efforts and generosity of supporters like you that our vital work remains possible.

Looking ahead, we are excited to share news about CASA Nashville's future. We are preparing to move to our new forever home at the Nashville Youth Campus for Empowerment (NYCE). This facility will be a beacon of hope and a hub for the children and families we serve, providing ample space for growth and training. As we finalize floor plans for our office suite within NYCE, our team is buzzing with excitement at the prospect of sharing space with the court once again. NYCE will not only make us more visible in the community but will also provide us with the space we need to grow—offering ample training areas for new advocate classes and room for our volunteers and staff to stay closely connected to the court, but most importantly, to the children and families we serve. We hope you can join us at future events where we will share the vision for this new and exciting phase.

Your unwavering support has been the cornerstone of our journey, and we are deeply grateful for your commitment to CASA Nashville. As we embark on this new chapter, we invite you to continue building a brighter future for our youth.

With heartfelt gratitude and celebration,

Julieanna Huddle
