Your Partnership. Their Future.

At CASA Nashville, our mission is simple yet powerful: **to ensure that every child in foster care in Davidson County has a dedicated Court Appointed Special Advocate by their side**—someone who champions their best interests, gives them a voice in the courtroom, and helps them find stability in the midst of uncertainty.

Each year, an average of 700 children enter foster care in Davidson County. Behind their case files are stories of resilience, hope, and possibility—stories that change when a CASA Advocate steps in. Research shows that children with a CASA spend significantly less time in foster care, are more likely to succeed in school, and have a greater chance of finding safe, permanent homes.

This impact is only possible because of partnerships with individuals and organizations like yours. By sponsoring CASA Nashville's 2025–2026 events, you are not just supporting a fundraiser—you are investing in the future of our community's most vulnerable children. **Your generosity ensures that we can continue to recruit, train, and support Volunteer Advocates who walk alongside these children every step of the way.**

Thank you for considering a sponsorship.

Together, we can ensure that foster children are matched with a **trusted champion**.

Together, we celebrate their service, their impact, and the hope they bring to every child they walk alongside.
