Dear Friends and Supporters,

Because of you, CASA Nashville continues to change the story for children in foster care. Each day, our Volunteer Advocates stand beside children as their consistent voice, ensuring their needs are seen and their futures protected.

From our record-breaking Red Shoe Party to the steady dedication of more than 150 Volunteer Advocates, this past year reminded us that hope is built when a community comes together. Over 320 children in Davidson County had someone by their side because of your generosity.

We've also been excited to witness the steady progress on the Nashville Youth Campus for Empowerment (NYCE). The foundation has been laid for CASA's future forever home—an expanded space where advocates can be trained, families can be supported, and children will always know they are not alone. Just as the NYCE foundation is strong, so too is the foundation of our mission: everyday people like you, walking alongside foster youth and fueling change.

Thank you for believing in this work and helping children find a brighter future. Together, we can ensure that every child has someone by their side.

With heartfelt gratitude and celebration,

Julieanna Huddle

Standing Strong, Together

This year brought changes to the federal funding landscape, but CASA Nashville remains strong and steady—just as we have for more than four decades. Our ability to sustain impact for children in foster care is not rooted in funding streams alone, but in the unwavering belief of a community that refuses to give up on them.

It is your generosity, your advocacy, and your hope that carry this mission forward. Because of you, children who might otherwise feel unseen know that someone is fighting for their best interests.

Thank you for standing with us. Together, we will continue to build a future where every child has the safety, stability, and opportunity to thrive.

Every child should grow up in a world that protects them

THANK YOU

Change Child's Story

Our mission is to train and support Court Appointed Volunteers to advocate for abused and neglected children that have come to the attention of Davidson County Juvenile Court so that each child can be safe, have a permanent home and the opportunity to thrive.
